Robert Kelley is 27 and has three children, Rebecka, Kaitlynn and Julie. He was bowling with Storm's XXX, drilled by Clay Rees of Strike Zone and the A.B.T. Pro-Shop. Robert will be using his winnings for Christmas bill and more tournaments. He would like to give special thanks to STORM for co-sponsoring the A.B.T. and Bonwood for hosting this tournament. Robert is very pleased to see a good high quality scratch tournament come to Salt Lake. He did enjoy the competitive condition and is looking forward to the next event in January.

The Amateur Bowlers Tour is very pleased with the participation from the scratch bowlers. This tournament exceeded all expectations for our grand opening event. We guaranteed a first place prize of \$1000.00 and paid \$1100.00. We also guaranteed a low to cash of \$100.00 and paid \$200.00. Our next tournament is tentatively scheduled for January 22, 2005. This event will again be bowled on a tournament condition. It will be a different oiling pattern than the one we bowled on this weekend. This change in condition should help all members get accustomed to bowling in highly competitive events. We will be continuing to work with Kegel and STORM on these oiling patterns. If you have any questions or concerns about these scratch events please contact Jason Mitchell in the A.B.T. office. We fully expect that these tournaments will continue to grow as the word gets out about the competitive nature of this event. Flyers will be mailed to all A.B.T. members later this month with a scratch schedule attached. Thanks to all that have made this tournament and tournament club the best in the state.
