Combo Champion: Fred Ringor.

Fred bowls out of the Orange County branch. He has been bowling for 27 years and has been an ABT member for 20 of those years. In addition to bowling Fred likes to golf. He would like to thank the ABT Staff for the great tournament, and we would like to thank Fred for the nice steak dinner at the Cortez Room in the Gold Coast after the tournament concluded.

Directors Notes:

Your directors are now attempting to schedule the next regional tournament. We are trying for late June or early July. If we are not able to schedule this soon, when would you like to see the next regional? As members that bowled in this regional, you now are establishing a regional average. This is handled the same way your local averages are handled. We are looking forward to hearing from you along with any suggestions you may have to better our regional events in the future.
