Directors Notes:

After trying for two days on two different squads, the Lindquist brothers, (Jeromy and Josh) both put together good sets to win the championship of the spring doubles at Davis Lanes on the last squad of the tournament. The new three game format in doubles was very successful and will be used at all Salt Lake future doubles events. The Bowling Rewards Gold members were very appreciative of the five dollar (\$5.00) they also received for each of their entries into this new format event.
